We offer obedience training for the pet owner

Thank you for your inquiry into our obedience classes. Classes are for dogs 4 months and older. We stress good canine manners in a relaxed and friendly atmosphere. Private lessons may be scheduled for specific problem solving.

Basic classes include heeling on a loose lead, sitting, staying, down position and recalls. Intermediate classes build upon the skills learned in Basic class with emphasis on ignoring distractions, remaining in position while handler is a distance away, heeling on a very loose lead and polishing recalls. The Advanced classes focus on Canine Good Citizenship, therapy dog, Rally and some Agility exercises as well as teaching the dogs to eventually heel and do recalls off lead.

Classes are held in 6 week sessions. Classes are 45 minutes long and are held on Sundays, Mondays and Tuesdays. Please visit our website for specific class schedules, or call or email for the start date and times of our next session. Pricing for all levels of group training classes is available on our website. Please visit our website for directions on receiving a discounted registration fee and the deadlines for registering. Class registrations are non-refundable.

If you would like to enroll in our next session of classes, please complete the form at the bottom and return it to the above address along with a check made payable to Hope Lock Kennels, and a copy of your dog's vaccination records showing the dog has current vaccinations for rabies, distemper, Bordetella with parainfluenza given nasally. Additionally, we strongly recommend the bivalent canine influenza vaccine. **Dogs will not be admitted to class without the required medical records, and we are unable to offer refunds for failure to comply with our vaccination policy.** This policy is to safeguard the health of all the dogs attending class.

If you have any further questions, please call me at 610-438-3558. You are welcome to stop by to observe class before enrolling; please just call first. I look forward to seeing you in class!
